Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by...

Showing in numerous ways how our schools mantra "Education is The Key That Unlocks the Doors to a Brighter Future" is a part of daily life in our institution. Continuing our emphasis on improving the quality of instruction and strengthening relationships between adults in our school and our students, our Trojan learning community celebrated receiving a "Bronze" rating for "Best High Schools" in this year's U.S. News and World Report. Our students continue to benefit from our comprehensive curriculum which includes college preparatory, honors, Advanced Placement, and quality (CTE) courses with an emphasis on careers via an academy approach. Students were able to take courses not only through the traditional format, but through virtual, on-line, and blended learning formats as well. South Carolina Virtual Schools, A Plus, and USA Test preparation were all utilized to provide opportunities for students to recover lost credits and content to remain on track for graduation, for benchmarking, and for remediation/acceleration.

As we watch the graduation rate and test scores improve incrementally in our school, we are very cognizant of the fact that the reason for the increases are directly related to the efforts of our students and staff, and to the support of parents, and the community at large. Not only was our school recognized as a whole for performance, our students continued to excel and many were recognized individually for both academic and athletic excellence. Our achievement luncheons, academic and athletic award celebrations, and marching band superlatives are only a few of the many ways our students are recognized and rewarded for their efforts.

We continue to acknowledge that, while we as a faculty and staff are all working diligently at Cross High to ensure every child reaches her/his potential and has a quality education, we need and welcome the help of parents and the community. Many efforts, including but not limited to our annual "Kids/Community Day", Title-1 parent education sessions, and our school/community based literacy forums/initiatives foster stronger relationships between the community and the school—relationships that we value and see as essential in the education of our students.
